LET US HELP YOU CLOSE THE DEAL

Seven Bridges Golf Club is excited to offer a truly unique and affordable advertising opportunity for local businesses. Annually, 24,000 golfers come to experience championship golf and first-class service, and now, your business can reach our affluent customers at a fraction of the cost of print, television and radio ads.

HOW IT WORKS

Each golf cart is equipped with a bright 10.2 inch high resolution, color touch screen monitor by Visage GPS System. We will provide your business with a full-screen billboard ad or video at the start of the selected golf hole (and upon arrival at the green on par 4 or 5 holes) After each group tees off, your ad will convert to a corner insert ad for the remainder of that hole. Advertising exposure for each hole is approximately 12 to 18 minutes. Your ad will be displayed on our fleet of 75 golf cars daily.
